

Child Abuse Neglect Statistics

August 2008

Department of Children and Family Services
Division of Quality Assurance

DEFINITION OF TERMS

1. **PENDING.** An investigation of suspected child abuse/neglect has not been completely investigated or the investigation finding has not yet been data entered into the SACWIS system.
 2. **UNFOUNDED.** An investigation of suspected child abuse/neglect has revealed no credible evidence that the abuse/neglect occurred.
 3. **INDICATED.** An investigation of suspected child abuse/neglect has revealed credible evidence that the abuse/neglect occurred.
 4. **FAMILY REPORTS.** A single investigation of suspected abuse/neglect. A family report can contain multiple adult subjects and children but for statistical purposes the report is counted only once.
 5. **CHILD REPORTS.** The number of alleged victims in family reports of suspected abuse/neglect. A family report can contain multiple alleged child victims and for statistical purposes all alleged victims are counted.
 6. **SEXUAL ABUSE VICTIMS.** The number of alleged child victims in abuse/neglect reports where the alleged victim is reported for at least one allegation of sexual abuse.
 7. **CHILD DEATH REPORTS.** The number of alleged child victims in abuse/neglect reports where the child has allegedly died from the abuse/neglect.
 8. **CHILD PROTECTIVE CUSTODIES.** The number of alleged child victims in abuse/neglect reports where the child was taken into temporary protective custody.
 9. **PRIORITY 1 REPORTS.** The number of family reports of alleged abuse/neglect where at least one of the alleged child victims was reported for a priority 1 allegation or was taken into temporary protective custody.
 10. **INITIAL INVESTIGATION.** An investigation of suspected abuse/neglect that determined there was no good faith indication of potential abuse/neglect and a formal investigation is not warranted. Initial investigations result in an "unfounded" finding.
 11. **S.E.I. REPORTS.** The number of alleged child victims under age one who have been reported for allegation(s) 15 and/or 65 (Substance Misuse). S.E.I. denotes a Substance Exposed Infant.
 12. **SOR REPORT.** SOR denotes a Subsequent Oral Family Report of suspected abuse/neglect, i.e. the family has previously been "indicated" for abuse/neglect or there is a previous "pending" report of suspected abuse/neglect on file in the SACWIS system.
- **With the exception of child deaths, the above referenced data items are duplicative counts, because a family or child may be reported to the Department more than once during any reporting period.**
