Re: Request for a Section 9 hearing to establish new Prevailing Wage classifications for the various Electric Power Lineman classifications in the following Illinois Counties: Alexander, Bond, Clark, Clay, Clinton, Coles, Crawford, Cumberland, Edgar, Edwards, Effingham, Fayette, Franklin, Gallatin, Hamilton, Hardin, Jackson, Jasper, Jefferson, Johnson, Lawrence, Marion, Massac, Moultrie, Perry, Pope, Pulaski, Randolph, Richland, Saline, Shelby, Union, Wabash, Washington, Wayne, White and Williamson.

Dear Mr. Costigan:

My name is Josh Holmes. I am a Business Representative for IBEW, Local 702. I am sending this request for a Section 9 hearing for each of the above counties in regards to their prevailing wage classifications for an Electric Power Lineman, Electric Power Groundman and Electric Power Equipment Operator. These classification changes are needed in the 37 counties because our outside line contractors have done 100% of this work in the past and without these changes it leaves our contractors at a huge disadvantage if ever faced with non-signatory contractors bidding this work. If needed, I have accumulated proof of all man hours worked for the past ten years under these classifications on Prevailing Wage jobs in the 37 counties listed. We would like to establish these classifications or update any county that is without the Electric Power Lineman, Electric Power Groundman or Electric Power Equipment Operator classifications.

If you have any questions, please feel free to contact me at my office at 618-932-2102, cell phone, 618-521-8026 or email, jholmes@ibew702.org.

Sincerely,

IBEW, Local Union 702

Josh Holmes
