

Actuarial Services RFP
Selected Questions and Answers
December 9, 2008

1. *Why is the State of Illinois soliciting proposals at this time? Who is the incumbent actuary? Is the State happy with the services currently being provided?*

Deloitte Consulting LLP currently provides actuarial services to GOMB pursuant to a contract which will expire December 31, 2008. Please note that additional information regarding this and other contracts awarded by GOMB is published in the Illinois Procurement Bulletin at www.purchase.state.il.us. For more information regarding GOMB's need for expert assistance, please refer to the RFP.

2. *What were the fees paid for similar services provided under the RFPs issued in 2005 and 2007?*

GOMB does not customarily disclose such information during the procurement process.
