

Vendors are reminded that pursuant to Section IV of the RFP ("Evaluation and Selection Process"):

This RFP includes a specific Business Enterprise Program (BEP) utilization goal of 19% based on the availability of certified vendors to perform the anticipated direct subcontracting opportunities of the contract. In addition to the other award criteria established under this RFP, the Vendor will meet the BEP utilization goal or provide evidence satisfactory to GOMB of the Vendor's good faith effort to meet the goal.

Please be advised that the individual identified immediately below is **the sole point of contact** for all matters related to BEP utilization, including questions concerning Appendix C "Minority, Female, Persons with Disability Status and Subcontracting":
