SECTION 2 - HOW WE WILL EVALUATE OFFERS

2.1 OFFER RESPONSE FORMS: We will evaluate the information you provide in the Offer Response Forms. You will find these forms in later sections of this solicitation.

2.2 EVALUATION CATEGORIES: We evaluate three categories of information: Administrative Compliance, Responsibility, and Responsiveness. We will consider the information you supply or don't supply, and the quality of that information when evaluating your Offer. If we find a failure or deficiency, we may have to reject the Offer or reflect that in the evaluation.

2.2.1 ADMINISTRATIVE COMPLIANCE: We will determine whether your Offer complied with the Instructions for submitting Offers. Except for late submissions, we may require that a Vendor correct deficiencies as a condition of further evaluation.

2.2.2 RESPONSIBILITY: We will determine whether you are a "Responsible" Vendor; a Vendor with whom we can or should do business.

- i. A "Responsible" vendor must exist as a legal entity and must be authorized to do business in Illinois at the time a bid or proposal is submitted for a State contract. Evidence of good standing can include Certificate of Good Standing, copy of assumed name certificate from home county, etc.
- ii. Public Law 96-0795 provides that a "prohibited bidder" includes a person assisting the State of Illinois or a State agency in determining whether there is a need for contract unless such information was part of a response to a publicly issued request for information (RFI). Additionally, one assisting the State by reviewing, drafting or preparing a request for proposals or request for information or provided similar assistance is deemed a prohibited bidder. See certifications section of the Contract for the required certifications prior to entering into a contract with the State of Illinois.
- iii. Other factors that we may evaluate to determine Responsibility include, but are not limited to: certifications, conflict of interest, financial disclosures, taxpayer identification number, past performance, references (including those found outside the Offer,) compliance with applicable laws, financial stability and the perceived ability to perform completely as specified. Every bid submitted to and contract executed by the State and every subcontract subject to Section 20-120 of the Procurement Code shall contain a certification by the bidder, contractor, or subcontractor, respectively, that the bidder, contractor, or subcontractor is not barred from being awarded a contract or subcontract under this Section and acknowledges that the chief procurement officer shall declare the related contract void if any of the certifications are false.

You must at all times have financial resources sufficient, in the opinion of the State, to ensure performance of the contract and must provide proof upon request. The State may terminate the Contract, consistent with the termination for cause provision of this Contract, if the Vendor lacks the financial resources to perform under the Contract. We may require that a Vendor correct any deficiencies as a condition of further evaluation.

2.2.3 RESPONSIVENESS: We will determine whether the Offer meets the stated requirements. Minor differences or deviations that have negligible impact on the price or suitability of the supply or service to meet the State's needs may be accepted or corrections allowed. If no administratively compliant and responsible Vendor meets a particular requirement, we may waive that requirement.

2.3 AWARD: Subject to Section 2.3.1 below, we will award to the Responsible Vendor whose Offer passes Administrative review, is Responsive and is considered the best of those submitted (without consideration of price) and with whom we are able to negotiate a fair and reasonable price.

We will determine how well Offers meet the Responsiveness requirements. We will rank Offers, without consideration of Price, from best to least qualified using a point ranking system (unless otherwise specified) as an aid in conducting the evaluation. Vendors who receive fewer than the minimum required points will not be considered for award.

We will attempt to negotiate a fair and reasonable Price with the Vendor with the best Offer. If we can not negotiate a fair and reasonable price, we reserve the right to award and negotiate with the next highest ranked Vendor. We will determine whether the price is fair and reasonable by considering the Offer, including the Vendor's qualifications, the Vendor's reputation, all prices submitted, other known prices, the project budget and other relevant factors.

The point evaluation system is described below:

2.3.1 The elements of Responsiveness that we will evaluate, their relative weights in point format and the standards that will ultimately determine the Vendors awarded each role are listed below.

- (50 points) List all team members with brief biographical background indicating experience in tobacco securitizations and securitizations in general. Please indicate the role the team member played in these transactions and that they will play in the proposed transaction.
